Getting to know me:

Your story is a powerful tool to communicate the Gospel to others. For those who wish to share, let the group know your salvation story.

Prime the pump:

What stood out to you from the sermon this week?

Into the Bible:

Our focus this week is One Gospel – One Message. Being able to communicate the Gospel Message is vital. This week we are going to take a practical approach to small group. We learn and internalize best what we discover for ourselves. So, as a group we would like you to discover verses that explain or highlight the different aspects of the Gospel Message. Under each point, work together to come up with verses you could use to share with others. On the back page we have a list of verses that you can refer to after you have completed your list.
